

PROFILE

KIBISEM ALLIANCE AND TRANSFORMATIVE YOUTH ORGANIZATION

KATYO is a youth led Non-Government Organization dedicated to empowering young people and communities to build sustainable innovative and productive livelihoods. We focus on giving youth the digital tools, digital skills, and digital opportunities.

Innovating today, empowering tomorrow

WHO WE ARE

Kibisem Alliance And Transformative Youth Organization (KATYO), as a registered Community Based Organization runs a program that sparks creativity, grow economic opportunities, and uplift communities through practical and future focused solutions.

KATYO focuses on providing education & mentorships programs by partnering with institutions, community groups, self-help groups and development organization both locally and internationally.

KATYO do receives financial support from private donors, corporate funds sources and local resources mobilization.

We are proud of these decade-long partnerships and excited about the bright future we are creating by empowering youth at their youthful stage.

**BRINGING IDEAS TO LIFE
AND FOSTERING
CREATIVITY**

**TRANSFORMING
CONCEPTS
INTO REALITY
AND
NURTURING
INNOVATION**

OUR CORE VALUES

- Excellence: we strive for highest standard in all our work, continuously improving quality, innovation, and results.
- Social justice: we promote fairness, inclusion, and equal opportunities, ensuring that marginalized and vulnerable groups are empowered and protected.
- Impact: we focus on delivering measurable, meaningful, and sustainable change in the lives of individuals and communities we serve.
- Professionalism: we conduct our work with competence, accountability, respect, and adherence to ethical and professional standards.
- Integrity: we act with honesty, transparency, and accountability, building trust with our partners, stakeholders, and beneficiaries.

OUR SERVICES

- Startup incubation: supporting early-stage startups with mentorship, workspace, training and access to funding to help Ideas grow sustainable opportunities.
- Digital transformation: helping individuals and organization adopt digital tools and technologies to improve efficiency, service delivery and decision-making.
- Corporate training & consultancy: providing professional training and expert advice to organizations and individuals to improve skills performance, and strategic direction.
- Community & events: Organizing forums workshops, networking events, and outreach activities that engage, educate, and empower communities.
- Policy engagement: working with policymakers and stakeholders to influences, shape, or support policies that promote innovation, inclusion, and development.
- Livelihoods: programs aimed at improving income generation, employment opportunities, and economic resilience for individuals and communities.

OUR STRATEGIC FOCUS

- Overall goals: To empower youth and strengthen organizations by building skills, leadership, innovation, and sustainable systems that drive social economic development.
- Youth mentorship & development: providing mentorship, life skills, leadership training, entrepreneurship support, and career guidance to help young people unlock their potential and be the active change makers.
- Organization development and strengthening system (ODSS): supporting youth led and community organizations to improve governance, management, accountability, and operational systems for long-term effectiveness and impact.
- Marketing, visibility & publicity: enhancing visibility of youth initiatives and partner organizations through strategic communication, branding, storytelling, and public engagement.
- Resources mobilization for sustainability: building the capacity of individuals and organization to access funding, partnerships, and income-generating opportunities that ensures sustainability and growth.
